

T-Coupler M12 male / M12 female A-cod. V2A

5-pol. / 2x 4-pol.

T-coupler Male straight - females straight M12 - M12, 5-pole Distribution function (NO) V2A nut/screw Plastic housings with good resistance against chemicals and oils. The resistance to aggressive media should be individually tested for your application. Further details on request.

Locking material

Stainless steel 1.4305 (V2A)

| Mechanical data Mounting data | | | |
|--|---|--|--|
| Mounting method | inserted, screwed, Shaking protection | | |
| Environmental characteristics Climatic | | | |
| Operating temperature min. | -25 °C | | |
| Operating temperature max. | 85 °C | | |
| Important installation notes | | | |
| Note on strain relief | Protect the connectors by suitable measures from mechanical loads, e.g. by the usage of cable ties. | | |
| Note on bending radius | Attention: Observe the permissible bending radii when laying cables, as the IP protection class can be endangered by excessive bending forces. | | |
| Conformity | | | |
| Product standard | DIN EN 61076-2-101 (M12) | | |
