

## M8 male 0° / M12 female 0° A-cod.

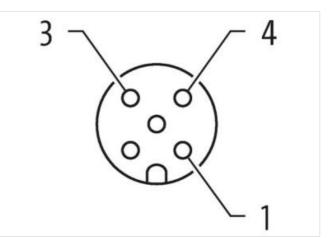

PUR 3x0.25 gy UL/CSA 4.5m

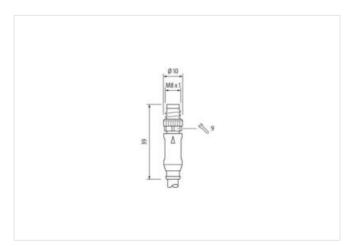

## 

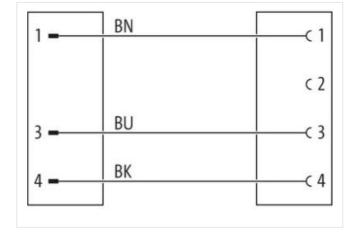

Male straight – female straight M8 – M12, 3-pole Art-No. 7005 - M12/M8 Lite - (plastic hexagonal screw) on request Further cable lengths on request. Plastic housings with good resistance against chemicals and oils. The resistance to aggressive media should be individually tested for your application. Further details on request.

Product may differ from Image

| Cable length   | 4,5 m             |
|--|-------------------|
| Side 1   |                   |
| Tightening torque                                    | 0,4 Nm            |
| Mounting method                                      | inserted, screwed |
| Coating contact                                      | gold plated       |
| Family construction form                             | M8                |
| Thread   | M8 x 1            |
| suitable for corrugated tube (internal $\emptyset$ ) | 6,5 mm            |
| Coding   | A                 |
| Material contact                                     | Copper alloy      |
| No. of poles   | 3                 |
| Width across flats                                   | SW9               |
| Side 2   |                   |
| Tightening torque                                    | 0,6 Nm            |
| Mounting method                                      | inserted, screwed |
| Coating contact                                      | gold plated       |
| Family construction form                             | M12               |
| Thread   | M12 x 1           |
| suitable for corrugated tube (internal Ø)            | 10 mm             |
| Coding   | A                 |
| Material contact                                     | Copper alloy      |
| No. of poles   | 3                 |
| Width across flats                                   | SW13              |
| Commercial data                                      |                   |
